

be prepared for the unexpected

beCarWise Roadside Assistance

Knowing that your vehicle is covered for roadside breakdowns is very reassuring. You may never have to use it, but knowing that it's there and that it won't break the bank is comforting. The small monthly charge for the beCarWise Roadside Assistance will be billed to your novated lease each month.

The beCarWise Roadside Assistance Program Benefits:

- No joining fee
- Low monthly fee
- Free cancellation
- Nationwide coverage
- 24 hour service
- Toll free number
- Unlimited call outs
- Technical advice

Roadside Assistance Coverage

Our service is provided by Digicall Assist, the largest independent provider of Roadside Assistance across Australia. The coverage includes:

Mechanical breakdowns: Minor breakdown related repairs. If it is not possible to fix your car by the side of the road or if repairing the problem could affect your vehicle's warranty, your vehicle will be towed.

Wheel changing: Inflation of a flat tyre or replacement of a flat tyre with the vehicle's serviceable spare.

Towing: If your vehicle cannot be fixed roadside, it will be towed to the nearest authorised repairer. Any costs incurred towing to a location outside the 20km radius can be charged to your beCarWise account.

Flat batteries: Jump starting of a flat battery. Replacement batteries available and can be charged to your beCarWise account.*

Emergency fuel: Provision of emergency fuel (where government regulations permit) or transport of vehicle to nearest service station.*

Key lockouts: Arranging a locksmith to attend.*
