What is Lease Protection Insurance?

In the event that you were to become Involuntarily Unemployed, Lease Protection Insurance is designed to cover the cost of your lease repayments for up to 10 months plus an additional \$400 per month to cover your vehicle running costs after the 30 day excess period has expired.

Once you have received 3 monthly lease repayments, you have the option of ending the Lease Agreement by handing the vehicle back. The policy will cover the outstanding balance of the Lease Agreement as at the date you returned your vehicle less the Fair Sale Price obtained for your vehicle.

The maximum the Insurer will pay across all benefits is \$40,000 subject to the terms and conditions of the policy.

Handback Option

- After The Insurer has paid three (3) monthly lease repayments for a claim for Involuntary Unemployment, You will be able to take up the Hand-Back Option of this policy.
- This option covers the difference between the Fair Sale Price of your vehicle and the outstanding balance of your Lease Agreement.

Monthly running costs benefit

Apart from in the various headings, words appearing in bold type in the PDS have specific meanings attached to them, such as "**You**" and "**Us**". When reading the PDS please make sure that **You** refer to the various definitions on page 21 to ensure that **You** understand what is being said.

Preparation Date: 15th September 2021

Updating the PDS

Information in the PDS may need to be updated from time to time. **You** can request a copy of the updated information by contacting **Us** using the contact details set out on page 5. **We** will send **You** a copy of the updated information upon **Your** request. **We** will issue a supplementary or replacement PDS if there is a materially adverse change or omission from this PDS.

Part A: Important Information

An **Excess Period** of 30 days applies for all claims for which no benefit is payable.

The information provided in this section includes high level information about this **Policy** including **Your Duty to Take Reasonable Care** not to make a misrepresentation to **Us**, privacy, how to make a claim, **Our** dispute resolution process and other relevant information. This section may also set out other information such as factors that affect the **Premium** cost and any cooling off rights.

If **We** issue **You** with a **Policy**, **You** will be given a **Policy Schedule**. The **Policy Schedule** sets out the specific terms applicable to **Your** cover and should be read together with the **Policy**.

The PDS and **Policy Schedule** form **Your** legal contract with **Us** so please keep them in a safe place for future reference. **You** should check the **Policy Schedule** when **You** receive it to ensure it accurately states what **You** have insured.

About Lease Protection Insurance

The purpose of Lease Protection Insurance is to provide **You** with insurance cover in respect of **Your** obligations under a finance agreement. In particular, the **Policy** is designed to meet **Your Lease Repayments** in the event of **Involuntary Unemployment**. The **Policy** will also pay the difference between the **Outstanding Balance** and the **Fair Sale Price** of **Your Vehicle** if **You** decide to take the **Hand-Back Option** following a defined period of **Involuntary Unemployment**.

Only **You** can decide whether **You** need the cover provided by Lease Protection Insurance. As the PDS and Policy Wording contain information that may help **You** make that decision, **We** suggest that **You** read both to see what is and what is not covered. Any advice contained in this document is of a general nature and unfortunately, **We** cannot give consideration to **Your** personal financial situation or needs.

This insurance is not compulsory, and a finance or lease provider cannot insist upon **You** taking out the **Policy** as a condition of a lease. **You** should also be aware that **You** can effect insurance of this kind with any insurer of **Your** choice.

Example of a Lease Protection Claim and the benefits applicable

The following claim example will demonstrate to **You** how a benefit is paid under this **Policy**.

Example 1 Involuntary Unemployment Claim

David took out a Lease Protection Insurance **Policy** on when he began his **Lease Agreement** with his **Lease Provider**. The **Lease Agreement** is for four years.

2 years into his **Lease Agreement**, David is made redundant by his employer. His **Lease Repayment** equates to \$750 per month and there is a 30 day **Excess Period** for which no benefit is payable, for **Involuntary Unemployment**.

As per the terms and conditions of the **Policy** for a benefit to be paid, David has registered his unemployment with Centrelink and begins actively seeking new employment.

If, after the **Excess Period** of 30 days, David is still unemployed he will be entitled to the equivalent of one month's **Lease Repayment** even if he is only unemployed for one more day. If David is still unemployed on day 61 he will be entitled to another **Lease Repayment**. He will continue to be entitled to the equivalent of one month's **Lease Repayment** each time his unemployment continues into a new 30 day period i.e. Day 91, day 121 etc. It is important

to understand the payments are made directly to the **Lease Provider** and are made monthly in arrears. This means that, whilst David qualifies for the first **Lease Repayment** on day 31, it will not actually be paid to the **Lease Provider** until day 61.

If, after qualifying for at least 3 **Lease Repayments**, David is still unemployed and has not, nor is he about to enter into an agreement for new employment, he can decide to surrender his vehicle to the **Lease Provider**.

He is able to claim under the **Hand-Back Option of Involuntary Unemployment** cover to assist him to settle and end his **Lease Agreement** with his **Lease Provider**.

At the date of surrendering his vehicle to the **Lease Provider**, the **Outstanding Balance** of the **Lease Agreement** is \$16,000. The **Fair Sale Price** obtained for his vehicle by the **Lease Provider** is \$14,000.

The benefit payment to the **Lease Provider** from this **Policy** to assist in settling and ending his **Lease Agreement** is an amount equal to:

$\$16,000 - \$14,000 = \$2,000$

David will also be paid the Monthly Vehicle Running Cost Benefit of \$400 per month for each month or part thereof he remains unemployed or until he elects to take the Hand-Back Option. The Monthly Vehicle Running Cost Benefit is paid directly to David.

Terrorism Insurance Act 2003 Notice

Underwriters have treated this insurance (or part of it) as an insurance to which the Australian Terrorism Insurance Act 2003 (ATIA) applies.

ATIA and the supporting regulations made under the Act deem cover into certain policies and provide that the **Terrorism** exclusion to which the insurance is subject to will not apply to an "eligible terrorism loss" as defined in ATIA

Any coverage established by ATIA is only in respect of an "eligible terrorism loss" resulting from a "terrorist act" which is a "declared terrorist incident" as defined by ATIA. The **Terrorism** exclusion, to which this insurance applies, in full force and effect to any other loss and any act or event that is not a "declared terrorism incident"

All other terms, conditions, **Insured** coverage and exclusions of this insurance including applicable limits and deductibles remain unchanged.

If **Underwriters** have reinsured this insurance with the Australian Reinsurance Pool Corporation, then **Underwriters** will not be liable for any amounts for which they are not responsible under ATIA due to the application of a "reduced percentage" as defined in ATIA which results in a cap on **Underwriter's** liability for payment for "eligible terrorism losses"

If **You** paid for this **Policy** by including it in the amount financed in **Your** Finance Contract, the refund **Premium** will be paid to the **Financier** or whomever the **Financier** directs **Us** to pay.

The **Premium** refund will be calculated after deducting a portion of the **Premium** for time on risk, and any government taxes or duties (where these are not refundable under the applicable State legislation).

Paying Your Premium

The ways **You** can pay **Your Premium**, and the frequency **You** can pay it, are described below:

- up front by cash, cheque or credit card; or
- included in **Your** financing arrangement for **Your** lease (**Your** Premium will be subject to interest charges when financing) ;or
- monthly instalments (if **You** pay **Your Premium** via monthly instalments, the total **Premium** payable will be higher than paying the **Premium** up front)

If **You** include the **Premium** in **Your** financing arrangement the **Premium** will be included in the total cost payable by **You** plus interest for the full length of the finance term - irrespective of when this insurance cover commences or the term of the cover being shorter than the financing term.

If **You** choose to pay the **Premium** in monthly instalments, the total **Premium** will be split equally across the finance term. For example if **You** have a finance lease of 48 months **You** will pay 48 monthly instalments.

The following applies when paying by monthly instalments:

- If **You** are paying by instalments and an instalment remains unpaid for 14 days or more, **We** may refuse a claim.
- If an instalment remains unpaid for a period of one month past its due date, **We** can cancel the policy.

You must pay **Your Premium** by the due date if it has not been included in **Your** financing arrangements. If **We** do not receive **Your Premium** by the due date or **Your** payment is dishonoured and it remains unpaid for 14 days or more then this **Policy** will not operate and there will be no cover under this **Policy**.

The following applies when paying by monthly instalments:

Part B: Policy Wording

About Lease Protection Insurance

The purpose of Lease Protection Insurance is to provide **You** with insurance cover in respect of **Your** obligations under a finance agreement. In particular, the **Policy** is designed to meet **Your Lease Repayments** in the event of **Involuntary Unemployment**. The **Policy** will also pay the difference between the **Outstanding Balance** and the **Fair Sale Price** of **Your Vehicle** if **You** decide to take the **Hand-Back Option** following a defined period of **Involuntary Unemployment**.

Before **You** purchase a Lease Protection Insurance **Policy**, **You** should find out what is covered and what is not covered by reading this PDS in full.

It is up to **You** to choose the cover **You** need. This PDS contains information which can help **You** decide whether to purchase the insurance.

Any advice contained in this document is of a general nature only and has not considered **Your** objectives, financial situation or needs. **You** should therefore consider the information provided having regard to **Your** personal circumstances before deciding whether to apply for financial Lease Protection Insurance.

This insurance is not compulsory and a credit provider cannot insist upon **You** taking out a policy as a condition of providing **You** with a **Lease Contract**. **You** should also be aware that **You** can affect cover with an insurer of **Your** choice.

Applying for Cover

You may apply for this **Policy** if **You** have a Finance Contract on **Your Vehicle** and Comprehensive Motor Vehicle Insurance covering the vehicle.

Assuming that **You** meet all eligibility criteria, **You** will be issued with a **Policy Schedule** confirming **Your** cover including the following information:

- **Your** name and address;
- the cover details;
- the **Premium** (including government charges) that **You** have paid; and
- the **Period Of Insurance**.

Summary of Cover and Benefits

The Maximum Benefit We Will Pay

The total benefit **We** will pay for the aggregate of all claims under all covers, during the **Period of Insurance**, is \$40,000 (forty thousand dollars only).

An **Excess Period** of 30 days applies for all claims for which no benefit is payable.

Involuntary Unemployment with Hand-Back Option

This cover will apply in the event **You** are unable to continue **Your Permanent Gainful Employment** as a direct result of **Your** involuntary dismissal or redundancy or **Your** fixed term contract being terminated prior to the end of the fixed term.

After **We** have paid a benefit of three (3) monthly **Lease Repayments** for a claim for **Involuntary Unemployment**, **You** have the option under **Your Lease Agreement** to surrender **Your Vehicle** to the **Lease Provider** (if **You** have not returned to **Permanent Gainful Employment**) and take advantage of the **Hand-Back Option**.

Benefit Payable

We will only pay a benefit under this **Policy** for an **Incident** that occurs during the **Period of Insurance**, excluding any **Incident** that occurs during the first thirty (30) days of the **Period of Insurance**.

In the event of **Your Involuntary Unemployment** there is an **Excess Period**. This is the period of thirty (30) days at the start of **Your Involuntary Unemployment** for which no benefit is payable. Once the **Excess Period** has expired, if **You** are still unemployed on day 31, **You** will be entitled to one **Lease Repayment**. If **Your Involuntary Unemployment** continues for a further 30 consecutive days **You** will, on the day 61, be entitled to another **Lease Repayment**. If **You** are still unemployed for a further 30 days **You** will, on the 91st day, be entitled to a third **Lease Repayment**. **Lease Repayments** will be made directly to the **Lease Provider** monthly in arrears.

For any claim, **We** will only pay a benefit for a maximum period of ten (10) **Lease Repayments**, or up to the date **You** return to **Permanent Gainful Employment** (or in the case of **You** being employed under a fixed term contract, **You** commence a new contract or up to the scheduled end date of **Your** fixed term contract, whichever occurs first). For a benefit to be paid, **You** must:

- register **Your Involuntary Unemployment** with Centrelink or the relevant Government employment agency in **Your** area (regardless of whether **You** are able to receive any benefit payments from Centrelink); and
- be able to provide the required evidence of **Your Involuntary Unemployment**; and
- be actively seeking new **Permanent Gainful Employment**.

Any period of **Involuntary Unemployment** will commence on the first day after **Your** final date of employment. The maximum amount that **We** will pay under this cover including any payment made to the **Lease Provider** under the **Hand-Back Option**, during the **Period of Insurance**, is \$40,000 (forty thousand dollars only), regardless of the number of claims.

Once **You** have made a claim for **Involuntary Unemployment** and have returned to **Permanent Gainful Employment** and did not elect to take the **Hand-Back Option**, **You** must have remained in **Permanent Gainful Employment** for at least another consecutive one hundred and eighty (180) days before another claim can be made under this cover. Please note: The **Excess Period** will then be applied again.

Hand-Back Option

After the completion of the first thirty days of **Your Involuntary Unemployment** and **We** have paid a benefit of three (3) monthly **Lease Repayments** for a claim for **Involuntary Unemployment**, **You** will be able to take up the **Hand-Back Option** of this **Policy**.

If **You** are still **Involuntarily Unemployed** after **We** have paid a benefit of three (3) monthly **Lease Repayments** and **You** have not entered into or are not about to enter into an agreement to commence new **Permanent Gainful Employment**, **You** will, up until immediately before the tenth (10th) **Lease Repayment**, be able to terminate the **Lease Agreement** and surrender **Your Vehicle** to the **Lease Provider**.

Should **You** decide to terminate **Your Lease Agreement** and surrender **Your Vehicle** to the **Lease Provider**, **We** will pay to the **Lease Provider** an amount equal to:

- the **Outstanding Balance** of the **Lease Agreement** as at the date **You** returned **Your Vehicle**; less
- the **Fair Sale Price** obtained for **Your Vehicle**.

The **Policy** will end once **We** have made a payment to the **Lease Provider** under the **Hand-Back Option**.

If **You** do decide not to surrender **Your Vehicle**, **We** will continue to pay a benefit for **Involuntary Unemployment** up to the maximum period per claim of ten (10) **Lease Repayments**, or until the date **You** return to **Permanent Gainful Employment** (or in the case of **You** being employed under a fixed term contract up to the scheduled end date of **Your** fixed term contract), whichever occurs first.

You will not be able to exercise the **Hand-Back Option** after **We** have paid the maximum benefit for **Involuntary Unemployment** of ten (10) **Lease Repayments**

Additional Benefit Applicable To This Policy

Monthly Vehicle Running Cost Benefit

The Monthly Vehicle Running Cost Benefit will pay **You** \$400 per month. Once the thirty (30) day **Excess Period** has expired, if **You** are still **Involuntarily Unemployed** on day 31, **You** will be entitled to one Running Cost Benefit. If **Your Involuntary Unemployment** continues for a further 30 consecutive days **You** will, on the day 61, be entitled to another Running Cost Benefit. If **You** are still unemployed for a further 30 days **You** will, on the 91st day, be entitled to a third Running Cost Benefit. Running Cost Benefits will be paid directly to the **You** monthly in arrears. The maximum benefit amount payable is \$4,000.
