

Package an Electric Vehicle and Save

You can package an electric vehicle or plug-in hybrid and save thousands on tax, with no post-tax FBT contribution required

beCarWise has good news for employees wanting to save money and who are looking for a more sustainable way to drive.

The Federal Government has introduced legislation to make EVs & PHEVs exempt from Fringe Benefits Tax on a novated lease, saving you thousands every year.

BENEFITS OF NOVATED LEASING WITH BECARWISE

- EVs and Plug-in Hybrids are exempt from paying FBT
- The luxury car limit on eligible fuel efficient cars has increased to \$89,332 in FY24
- Tax savings for the life of the lease
- GST savings on the running costs and price of the car
- Great discounts off the purchase price of your next new or used car
- All running costs included for easy budgeting

Contact the EV experts at beCarWise to get EVEN more with your car!
